

Parcel 104's wine program is designed with Bradley Ogden's concept of seasonal, farm-fresh American fare in mind. Each of our nearly 400 wines has been hand-selected for its quality and representation of place. We are strong believers that wine should enhance food and food should enhance wine. To assist you in this quest, any of our 5 sommeliers would be happy to lend their knowledge throughout your dining experience.

As you venture through this list we would love to point out a few selections we are especially excited about. On page 9 we have isolated a few wines from local producers and vineyards to enjoy with Chef Jonathan Hall's local cuisine—the Equinox 1997 Vintage Brut from the Santa Cruz Mountains is not to be missed. Take a moment to browse our vertical selection of Domaine de la Romanée-Conti—the most rare and sought-after pinot noirs in the world. As one of the restaurants that is lucky enough to receive these wines, we are proud to offer them to you. However, if Cabernet Sauvignon is what you are searching for, consider the Volker-Eisele Napa Valley 2001. We purchased a barrel of this wine at the Premier Napa Valley Wine Auction and are the only restaurant to carry it. Although we are saving bottle #104 for ourselves, we would be happy to open any of the others for you. You might also be interested in our collection of Diamond Creek Cabernets from Calistoga. These wines, from the pioneer of single-site viticulture, are structured and balanced with the fruit of Napa Valley and the herbaceous nuances of Bordeaux.

We are excited to share our passion for wine with you and would love to open one of our bottles for you but know that you may have a special bottle you've been saving for just the right moment. To ensure your special bottle receives the ceremony it deserves, we have Spiegelau Crystal Glassware and Riedel Crystal Decanters ready. We charge \$20 per bottle for this service, but will gladly waive this charge for each bottle purchased from our list.

"The discovery of a wine is of greater moment than the discovery of a constellation. The universe is too full of stars." - Benjamin Franklin

Thank you for joining us and allowing us to share our love of wine & food with you.

Sarah's Vineyard

Join Parcel 104 as we celebrate local winemakers and outstanding local wines. For the entire month of April we focus on the stellar Pinot Noirs of Tim Slater & Sarah's Vineyard. After the well-publicized dot-com implosion, Tim was convinced that it was time to seek a new kind of life. Long searches and a surprising serendipity brought him to Sarah's Vineyard, which he purchased in 2001. Now, as proprietor of Sarah's Vineyard in Gilroy, he has traded in his silicon chips for some valley grapes and is producing some world-class Pinot Noir & Chardonnay right in our own backyard. We invite you to enjoy these exciting wines from Tim Slater and Sarah's Vineyard, featured for the entire month of March...

*On **Friday, May 6** meet Steven Kent Mirassou of Steven Kent & La Rochelle Wineries. Steven's father built one of the most recognizable wine brands in California before selling to his partner and turning over the reigns to Steven. Now Steven is the driving force behind two local wineries, producing excellent Cabernet Sauvignon, Sauvignon Blanc and Pinot Noir. Don't miss your chance to meet Steven and taste why we are so proud he is making wine so close to home*

Diamond Creek Winery

Diamond Creek is California's first exclusive Cabernet Sauvignon Winery, they also pioneered the idea of specific vineyard designates. Al Brounstein established the winery near Calistoga in 1968, using first growth Bordeaux cuttings he smuggled through Tijuana, Mexico. He identified three vineyard blocks by the differences in soil structures and climates, naming them for their geological forms.

Jerry Luper was the winemaker for the first twenty years, with Phil Steinschiber taking over the winemaking duties in 1990 and continuing to develop Mr. Brounstein's vision after Al's passing in 2006. The wines are deeply colored and enormously concentrated, capable of aging and gaining complexity over the years.

Crystal pure waters, ideal microclimates, unique soil personality and traditional winemaking techniques merge together to create beautiful and rare wines cherished by connoisseurs the world over. We have acquired a lovely selection of these gems over the last few years and are confident you will enjoy them as we do.

Diamond Creek Winery

GRAVELLY MEADOW

This 5 acre prehistoric river bed provides the lowest yield and produces wines that are earthy, cedary and feature ripe blackberry with an expensive finish.

RED ROCK TERRACE

High Iron content and red tinted soil mark this warm and north facing 7 acre vineyard. These wines have velvety tannins, with rich flavors of cherry, mint and blackcurrant.

VOLCANIC HILL

the warmest of the three, planted on fluffy volcanic ash from Mount Konocti. These wines contain 2% Petit Verdot, resulting in a full-bodied red, with berry, cassis, violets, and a long, luxurious finish.
